

One of the 40,366

Testimonials received in two years. "Ours is a New England farmer's home and as we are twenty miles from a large town, we are obliged to depend very largely upon family medicines we keep on hand all the time."

"First and Foremost among them is Hood's Sarsaparilla, which we have always found a true friend and helper. When I had suffered dreadfully from dyspepsia, without finding relief, Hood's Sarsaparilla gave me positive help, and when I had used four bottles I was in better health than for many years. I have found it."

"A Great Medicine to build up when strength is most needed, to create an appetite, and in short to regulate the whole system. I have lately been taking Sarsaparilla, which I find convenient, easy to take, and also very beneficial." Mrs. E. L. Berry, West Troy, Me.

Hood's Sarsaparilla combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination.

Begin taking Hood's Sarsaparilla today. Get it in the usual liquid form or in chocolate tablets known as Sarsaparilla, 100 Doses One Dollar.

MISTAKE COST \$4,400.

Druggist Gives Woman a Deadly Poison Instead of Ergot.

New York, April 28.—A mistake in filling a physician's prescription will cost Edward F. Miller, a Bronx druggist, \$4,400, this amount representing the verdict rendered by a jury in the supreme court in the suit brought by Mrs. Mary Edith Dwyer. She asked \$10,000 damages. The jury gave \$4,400 to Mrs. Dwyer and \$400 to her husband to cover the expenses of medical treatment for his wife made necessary by the defendant's mistake.

Mrs. Dwyer testified that Miller filled two prescriptions for her, one calling for extract of ergot and syrup of lemon, and the other for two ounces of pure lysol, described as "a powerful deadly poison." According to the testimony, the druggist filled two bottles with lysol, labeling one of them "ergot." Mrs. Dwyer took the latter and alleged that it made her ill, and that she continues so, although two years have elapsed since she took the poison.

FLESH-FORMING FOOD

When you buy a package of Samosa, the great flesh forming food, weigh yourself and see how much you gain in the first week's use. Dr. F. Davis will tell of many of his patients who a month or so ago were thin, pale and feeble, but who are now, through the use of Samosa plump, strong and happy, with perfect health and attractive flesh. He has seen so many instances of the wonderful power of Samosa to restore the weak and sick to strength and health, and to make good natural flesh, that he gives his personal guarantee with every package of Samosa, he sells to refund the money if it does not prove satisfactory. Samosa is a pure preparation, and can be used with absolute confidence by the most delicate. It gives remarkable results with children who are weak and run down and without appetite. It builds up the thin, pale, puny girl and woman to perfect plumpness and health. It is the only food forming food of its kind and in addition, it strengthens every organ of the body, restoring strength and health to the whole system.

WARNING

Don't simply spend your money. Invest it. Invest it judiciously and profitably. Invest it through an established, reliable, responsible concern with a reputation and record of having invariably, for years, made money for its patrons—that's what you want. Don't invest in a business without exercising the same care, discretion and business-like method as you do when purchasing your clothing and household necessities—that's what you want. Don't invest a dollar unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one.

Don't invest in a business unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one. Don't invest in a business unless you know that the business is profitable and that the investment is a safe one.

Don't delay—write us to-day. One day is worth two to-morrow. A. B. Spencer & Co. 78 and 80 Broad St. New York City.

HARD HITTING ON BOTH SIDES

Spaulding High Won 10 Inning From I. A. C.

EVEN UP FORMER DEFEAT

Fisher Pitched for the Winners While David and Scampini Did the Box Work for the Italians.

The Spaulding high school base ball team even its defeat of ten days ago yesterday afternoon when it defeated the Italian Athletic club team at the Spaulding field. It took 10 innings of play to decide the game, the score at the end being 13 to 12 in favor of the school team.

David, who usually catches for the Italian team, went into the box for the team at the beginning of the game and held down the position for four innings. His delivery was met for three singles, a three bagger and a home run, netting five runs for the Spaulding team, when he retired from the box in favor of Scampini.

While not in his usual form, having pitched a ten-inning game against Norwich university the day before, Scampini held the high school team to six hits in the six innings that he pitched and struck out 12. The Italians did not score during their time at bat in the first inning, while Malden and McDonald crossed the rubber for Spaulding on two singles, a pass and an error by Scampini. The athletic club team registered twice in the first half of the second on the same combination of plays and misplays.

In the last half of the second, Cutler was up first and lined a neat single into the outfield. Littlejohn popped out to Calagni. Fisher sacrificed to first and Cutler went to third on the hit. Griffin made the sphere for a three-bagger well up to the left field fence, scoring Cutler. Malden was up next and met the leather fair for a long drive to the extreme corner of the fence in the left outfield, enabling him to circle the sacks for a home run and scoring Griffin. Carwell flied out to Nicora.

Neither side scored again until the last of the fifth, when Scampini went into the box for the Italians and the Spaulding boys added three batsmen to their string before he struck his gut. As if to clinch the matter, the Spaulding team added two more in their half of the sixth.

Things went wrong for Spaulding in the seventh and the Italians piled up seven runs on a series of hits, bases on balls, and errors, bringing the Italians' score within one of a tie. David was up first for the Italians in the eighth and drew a pass. Malberini hit a grounder to Johnson, who threw while out at first. David going to second on the play. Calagni made a double to left field, scoring David. F. Colombo was up, second to first. Broggi made a single, scoring Calagni. H. Colombo hit to short and was thrown out at first. This put the Italians one to the good, but their lead was short lived, as Spaulding scored again in the eighth on a pass and a hit. Neither side scored in the ninth.

It was beginning to get dark as the 10th inning was begun, making play difficult. Malberini was up first and drew a pass. Then he circled the bases on three passed balls in succession, again putting the Italians in the lead. Calagni, F. Colombo and Broggi fanned in order.

Malden was up first for Spaulding in the tenth and drew a pass. Carwell made a single and Malden went to third. McDonald singled and Malden and Carwell scored, winning the game for Spaulding.

AMERICAN CATTLE BEST.

Conceding This, Japan Sends to This Country For High-Bred Cows.

Ithaca, April 28.—Conceding the superiority of American cattle over those of any other country, the government of Japan has sent a representative to the United States to pick out and ship to Tokyo cows of the best breeds to be found here. N. Kabayashi, the Japanese agent sent here for that purpose, is visiting the Cornell college of Agriculture and has consulted with Director Bailey and the professors in charge

A GREAT DISCOVERY

Certain Ingredients That Really Grow Hair When Properly Combined.

Reverly is one of the most effective germ destroyers ever discovered by science, and in connection with beta naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well defined nourishing properties, perfect the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely valuable medicinal agents. We guarantee it to positively cure dandruff and to grow hair; even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness. If the scalp has a glazed shiny appearance, it's an indication that baldness is permanent, but in every other instance, baldness is curable.

We want everyone troubled with scalp disease or loss of hair to try Rezal "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 98 per cent of cases where put to a practical test.

Rezal "93" Hair Tonic is entirely unlike, and in every particular better, than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Two sizes, 50c and \$1.00. Rickert & Wells, Red Cross Pharmacy, Milwaukee, Wis. Granite block.

of animal husbandry and dairy industry in making his selections. Mr. Kabayashi hails from Ashigima, Hakidori, Japan, where he has a farm of 3,000 acres, of which a stock farm is a large part. He is a graduate of the Ontario Agricultural college of Canada and has recently taken special work at the university of Wisconsin.

DO YOU OWN A HYOMEI INHALER?

If you have a little Hyomei Inhaler (pronounced High-o-mee) in your home, you have a treasure.

Into this hard rubber inhaler you can pour a few drops of Hyomei, and presto, you have the best little physician for catarrh, coughs, colds, bronchitis, croup and asthma, the world has ever known. When you breathe Hyomei you bring the healing virtues of the mountainous forests to your home. You get the very same healing, antiseptic air that you would breathe if you resided in the forests of pine and eucalyptus of inland Australia, where catarrh or consumption were never known to exist.

If you have a Hyomei Inhaler in your home, get a bottle of Hyomei for 50c. If you have not an inhaler, ask for a complete outfit, which costs but \$1.00, and includes an inhaler, a bottle of Hyomei, and simple instructions for use. Hyomei is sold and guaranteed by The Red Cross Pharmacy to cure catarrh, asthma or bronchitis, or money back. It will relieve a cold in five minutes, and will break it up in five hours. It gives most gratifying relief to consumption sufferers, and is sold by leading druggists everywhere.

New Spring Clothes

Just got back from New York, been buying new Spring Clothes—men's, women's and children's.

Had good luck—struck some extra good bargains in first class clothes. Bought low for cash.

Now we'll sell you, brand new goods at lower price than charged most places for same quality.

Come in today—see the stylish suits for men and lots of other desirable things.

Even if you don't want to buy, step in and look 'round. Glad to see you.

ALEX COREY & CO.,

Opp. Jack's Lunch Room, Depot Sq.

Quality Sponges at the Right Prices

We have a whole window full of them. Your choice at 25 cents. We won't say that they are bargains, you can see that yourself.

BAT MORGAN OUT OF BOX

New York Highlanders Win From Boston, 4 to 3

WAS AN EXCITING FINISH

Boston Came Near Tying Up the Game in the Ninth Inning—Boston Nationals Walloped the Giants.

Boston, April 28.—The New York Highlanders knocked Morgan out of the box in the third inning, and before Cioetto could get to going they had piled up four scores, two off each pitcher, and just enough to win the game.

Cree started the fourth with a single, the first safe rap off Morgan. Keeler followed with a double to right, Cree roosting on third. Elberfeld drew a pass, filling the corners, and then Engle singled, sending Cree and Keeler home and Elberfeld to third. Morgan retired and Cioetto came in, opening with a wild pitch which scored Elberfeld, and Engle going to third. McConnell flied out and Knight flied out to Miles. After that New York didn't have a chance to score.

Meanwhile Boston had found Wilson a hard nut. In the seventh the home team got started, when Gessler doubled and went to third on a wild pitch. Stahl struck out, but Miles drove a fly to Cree, on which Gessler scored. Wagner doubled and Carrigan walked, but Danzig who batted for Cioetto, popped out, ending the inning. Arrelanes went into the box for Boston.

Gessler started the ninth by popping out but Stahl and Knight singled. Wagner was thrown out by Knight, but Carrigan tripled, scoring Stahl and Miles. With one run needed to tie the game, Wolter was sent to bat for Arrelanes and he fanned. The score:

You Indoor People

must give the bowels help. Your choice must lie between harsh physic and candy Cascarets. Harshness makes the bowels callous, so you need increasing doses. Cascarets do just as much, but in a gentle way. Yes—pocket box, 10 cents—as drug stores. Get each box of the genuine in marked C.C.C.

DIETING DOES NOT CURE INDIGESTION

Self Denial by Prescribed Rules of Health Used to be Considered a Cure

Starvation is a strange remedy for any disease. Yet, starvation by rigorous diet was once generally resorted to in cases of indigestion and dyspepsia. Even yet, it is sometimes tried. Such a remedy is worse than useless. Every day of life consumes a portion of the tissues of the human body. The food we eat serves to repair the waste, and you can't build up the system by withholding the material necessary for these purposes. When you have dyspepsia or indigestion, or any form of stomach trouble, take a little Kodol to help the stomach do its work.

We say, take Kodol, because it is the only preparation that will digest all the food you eat. Every tablespoonful of Kodol digests 2 1/4 pounds of food. It supplies the same digestive juices that are found in a healthy, vigorous stomach. There are other preparations that are partial digesters, but what your stomach needs is complete rest. Kodol is the only preparation that will give it. A man is so constituted that he needs a variety of foods; to reduce the variety always produces bad results. In 90 cases out of 100, indigestion is due to lack of some of the elements which constitute the natural digestive juices. Kodol supplies just what is needed. Our guarantee: Get a dollar bottle of Kodol. If you are not benefited, the druggist will at once return your money. Don't hesitate; any druggist will sell you Kodol on these terms. The dollar bottle contains 2 1/4 times as much as the 50c bottle. Kodol is prepared in the laboratories of E. C. DeWitt & Co. Chicago.

BARRETT'S REPUBLICS ARE TROUBLESOME

But He Is Resourceful and It Is Expected That He Will Settle the Troubles All Right.

Washington, D. C., April 28.—John Barrett's little family of American republics is causing that snare and resourceful gentleman some anxiety, particularly in the Central American section. In his position of director of the bureau, under the expansive roof of which the representatives of the twenty-one governments are supposed to exude peace and good will, John has a time of it. He must utter the word "excellency" with the same inflection of cordiality and gladness of heart to each of the twenty-one or someone won't like it, and if he says that Costa Rica is a fine little country one day, he must say that Honduras is a very nice country the next.

Steering an impartial course is not easy these days, particularly in the middle in which Central America finds itself. Zelaya of Nicaragua has his eye on Salvador, as a part of his ambitious plan to proclaim himself the dictator of the whole region. Honduras is already fairly in his clutches. Costa Rica is waiting for something to happen. And Estrada Cabrera, president of Guatemala, is objecting because he wants to be dictator himself, and there can't be two dictators—at least not on the same day.

Secretary Knox may say what he likes about Zelaya and get away with it. John Barrett has no such choice. An application to him for an interview on Central American affairs will bring forth a statement on the new street car system down in Managua, the beauties of the summer capital in Brazil, or the decorations of the patio in the new bureau building in Washington.

All you need to do in order to extinguish a petroleum or gasoline fire is to put foam on it. This simple remedy for a class of flames that has baffled firemen for years comes in a report from Consul Thomas M. Norton of Chemnitz, Germany. The use of water has only served to spread such fires, and as a rule, the firemen have been obliged to stand helplessly by until the
